SUMMARY OF FINDINGS AND RECOMMENDATIONS

Board of Selectmen
Salisbury
New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Salisbury for the fiscal year ended December 31, 1972, which was made by Nathan Wechsler & Company in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audits must be given the Town Clerk as part of the permanent records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk and Trustees of Trust Funds.

FINANCIAL STATEMENTS

Comparative Balance Sheets as of December 31, 1971 and December 31, 1972:(Exhibit A-1)

Comparative Balance Sheets, as of December 31, 1971, and December 31, 1972, are presented in Exhibit A-1. As indicated therein, the Surplus of the Town decreased $924.87 from $8,215.64 to $7,290.77 in 1972. The Balance Sheet Surplus of $7,290.77 represents the Current Surplus (excess of total current assets over current liabilities) on December 31, 1972.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These are as follows:

Analysis of Change in Financial Condition

Decreases in Surplus:		
Net Budget Surplus	$1,275.13	
Surplus Used to Reduce Tax Rate	2,200.00	
Net Decrease in Surplus		$924.87

Comparative Statements of Appropriations and Expenditures–Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1972, are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), net revenue surplus of $2,839.39, less a net overexpended appropriations of $1,564.26, resulted in a net budget surplus of $1,275.13.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1972, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1972, is indicated in Exhibit B-2.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax collector's records. Consequently, the amounts of uncollected and unredeemed taxes as indicated in this report are subject to any changes which may be necessitated by the return of verification notices.

Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Salisbury for their assistance during the course of the audit.

Very truly yours,

Stuart A. Goss
Nathan Wechsler & Company

TOWN OF SALISBURY

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Town of Salisbury for the fiscal year ended December 31, 1972.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of sources of revenues and expenditures present fairly the financial position of the Town of Salisbury at December 31, 1972, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Respectfully submitted,

Stuart A. Goss
Nathan Wechsler & Company

FIRE DEPARTMENT REPORT

During the past year your Volunteer Fire Department answered six calls; one chimney fire, two kitchen fires, two fires caused by lightning, and one pumphouse fire. We had one stand-by call for Franklin but no equipment was needed.

Our new pumper arrived in February and we held an Open House at the fire station for anyone who wanted to come and see it. This truck is one of the first yellow fire trucks in the state. We have purchased ten feet of 4½ inch soft suction hose for this truck.

Some of the men attended fire school again this year and we have held several training sessions.

We have joined the Twin Rivers Mutual Aid System with eleven surrounding towns. In case of an emergency these towns will aid us at any time without cost. We in turn will assist them whenever needed.

The fire station has been moved back which makes it much easier to approach the highway. We are grateful to the town for appropriating the money for the foundation and to the Ladies Auxiliary for paying to have the station moved.

To report a fire—please use the fire phone number, 8-2200.

Fire Chief

REPORT of the FOREST FIRE WARDEN and DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 AM and 5:00 PM unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and deastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned – 1972 season:

STATE – 410 fires . . . . . 361 acres burned
DISTRICT – 90 fires . . . . . 135½ acres burned
TOWN – 2 fires . . . . . ¼ acres burned

LADIES FIRE AUXILIARY

In 1971 the Ladies Auxiliary of the Salisbury Volunteer Fire Department paid $750.00 for more land around the fire station. Last year the town paid for the foundation and the auxiliary paid W.B. Hill Co., Inc., of Tilton the sum of $3,160.00 to move the fire station back, the men doing all the work in preparation for the moving and fixing things up afterwards.

We wish to take this opportunity to express our thanks to everyone who has supported the auxiliary by donating to our card parties, monthly raffles, etc., which has enabled us to carry out these projects. The girls have worked very hard and are grateful for any support they have been given. Future support will be appreciated for our aid to the firemen.

CIVIL DEFENSE AND RESCUE SQUAD REPORT

Your Rescue truck has been called out about ten times this part year; once for a snowmobile accident, three car accidents, once for a base of operation for a lost hunter. The rest being fire related operations.

The Rescue Squad entered a Mutual Aid agreement this past year with the Penacook Rescue Squad and help may be obtained from them if requested by our Rescue unit. Salisbury is very lucky to have eleven licensed first aiders that meet once a month to train. We have also purchased some new equipment this past year, such as burn blankets, Thompson splints, porta-power and a obstetrical kit, also a new stethoscope and aneroid sphygmomanometer.

To report an accident, please use the fire phone (648-2200) or call any of the numbers listed.

The library has made an effort to expand its facilities this year by adding three new sections of shelving primarily designed for the convenience of our young readers. We are also in the process of renovating our method of book borrowing and instituting a system for book cataloging. Many new books, both fiction and non-fiction, have been added and the interior has been treated to a bright, new coat of paint.

Library hours April through December are 7:00 P.M. to 9:00 P.M. Friday evenings and 2:00 to 4:00 P.M. Saturday afternoons. Library hours January to April are 7:00 P.M. to 9:00 P.M. first and third Friday evenings only, and 2:00 to 4:00 each Saturday afternoon.

We sincerely thank Mrs. Evelyn Nedden for her fine job as librarian and again this year our special thanks to the Friends of the Library, without whose financial and volunteer assistance we would be unable to accomplish much of our work.
